PROFILE SUMMARY

An experienced and client-centered accounting consultant, Nell specializes in providing practical financial oversight to individuals, nonprofits, government contractors, small-to-mid-sized businesses, and professional associations. With significant experience in tax planning, auditing, business valuations, as well as financial systems and reporting, she partners with clients to deliver clear, actionable insights that support long-term financial health. Nell held her CPA license in Virginia for over 25 years and brings a thoughtful, approachable style to all client engagements.

AREAS OF EXPERTISE

- Cash flow analysis and reporting tools
- Financial systems setup and monitoring
- Government contracting financial management
- Internal controls and processes evaluation
- Nonprofit audits and tax compliance
- Small-to-mid-sized business advisory and consulting
- Internal tax planning and financial forecasting

CAREER SNAPSHOT

- 35+ years accounting experience, with 25+ years as a licensed CPA and CVA in Virginia
- Retired former partner at a mid-sized accounting firm in Virginia Beach, VA
- Served clients across industries including construction, nonprofit, government contracting, and individual taxpayers
- Consistently recognized for respectful client relationships and ability to translate accounting practices into sound business strategies
